

Healing Words Update

Number 5, July 2017

*'You are all around me on every side;
you protect me with your power.'*
Psalm 139:5

In the January newsletter we wrote that we are curious what God would do through us and the ministry of Healing Words in 2017. We noticed that God said: GO! This is the time. It was confirmed by what we read in the Bible and by people who encourage us and pray for us. There was (and is) a growing desire to 'step out'. Holding His hand. The idea to organize an event gradually took shape.

Womens meeting May 13

After months of preparation the first Healing Words activity in Holland took place. A womens meeting with the theme: 'Come closer!' We enjoyed to honor and worship the Lord together and to meet Him. We came closer to the Lord and in all rest and stillness we experienced Gods presence. It was an encouragement to us to meet many of you that morning. We received many beautiful, nice, encouraging and touching responses afterwards, also by mail. The lunch was delicious and in a cozy atmosphere the participants had all opportunity to talk to each other.

We would like to thank everyone who has been praying for us. We experienced continually that we were supported by prayer. Like the Bible verse above from Psalm 139 says:

'You are all around me on every side; you protect me with your power.'

Are you also present on November 11 2017?

Lord willing on Saturday November 11 we organize another womens meeting with lunch. Again we are welcomed to rent the hall at Open Doors (Ermelo), and we are so happy with that. Many of you asked if there would be a 'second chance', because you could not attend the first time. The answer is yes! Someone encouraged us to organize a similar meeting. She said: "Those who were present on May 13 know the nature of the meeting. Perhaps they can invite other ladies to attend together." It is 'safe'. Nothing is required, not talking in groups or praying together, you can just 'be' yourselves. And

come to rest "close to Jesus".

We desire to share His healing words through Gods Word, worship and prayer. It is a great privilege to serve the Lord and to see Him at work!

Many thanks for your involvement with Healing Words and us!

Many blessings to you,
Suze and Anneke
